

EMPLOYER VERIFICATION ACCEPTANCE OF RESPONSIBILITY **CRIMINAL HISTORY BACKGROUND CHECK**

The consumer who chooses to be the employer of their attendants are required to have criminal history background checks performed on the attendants that they hire. The employer will be informed of the results of the criminal history background check. The employer may still choose to hire an attendant even if he/she is found to have a criminal history with prohibited offenses.

Criminal history background checks will be performed at no cost to the employer. Performance of the criminal history background check and its cost will be the responsibility of the Fiscal/Employer Agent (PALCO).

Criminal history background checks are mandatory but an employer may still choose to hire an attendant even if he/she is found to have a criminal history.
