

Nevada VDHCBS Timesheet Instructions

Timesheets are records of the hours worked by the employee. They must be submitted to Palco in order for your employee to be paid. Timesheets are assigned to the employer and are to stay in their possession. Make plenty of copies of the timesheet. This is the only timesheet that will be accepted.

To submit time worked:

- Legibly print the participant, participant Palco ID and employee's names where indicated.
- Write the current month in the blank provided.
- Time in and time out must be submitted for each day worked.
- Write in the total number of hours worked for each day. Days that were not worked can be left blank or put a "0" or "X" in the box.
- Write in the total number of hours worked for each half of the month for each service.
- The participant/representative must sign and date as the employer.
- The employee must sign and date on the worker signature line.

If you make a mistake on the timesheet, mark a single line through the mistake, initial it and make the correction nearby. Using white out will cause your timesheet to be denied.

Only correct timesheets submitted to Palco can be paid. If your timesheet is denied, you will have to resubmit a correct timesheet. Missing the deadline for submitting your timesheet will significantly delay your pay.
