### What date range should I choose?

In order to pull results from the report tool you will need to make sure you select the correct date range. The timesheet report will display information for any timesheet with a service date between the start and end date you select.

### Why are there no check numbers or dollar amounts on my report?

The check number and dollar amount fields will only contain information after the payment to the SSP has been processed. Before the payment has been process, the check number and dollar amount fields will be blank.
