**Supports Waiver Program:**

1) The Supports Waiver participant must have an EOR. The EOR is the person authorized to sign the PRF. The participant may also be their own EOR.
Please read the following summary of the Centers for Medicare and Medicaid Services (CMS) Final Rule Requirements for Home and Community Based Services (HCBS) Providers.

Any residential or non-residential HCBS provider, who offers self-directed services in a setting where individuals live and/or receive HCBS, must comply with the following CMS Final Rule requirements:

1) Providers must ensure that settings are integrated in and support full access of individuals to the greater community including:
   - Providing opportunities to seek employment and work in competitive integrated settings, engage in community life, and control personal resources; and
   - Ensuring that individuals receive services in the community, to the same degree of access as individuals not receiving HCBS.

2) Providers must ensure that the individual selects from among setting options including non-disability specific settings and options for a private unit in a residential setting. The provider setting must have person-centered service plans that document the options based on the individual’s needs and preferences. For residential settings, the person centered plan must document options available for room and board.

3) Providers must ensure an individual’s rights to privacy, dignity and respect, and freedom from coercion and restraint.

4) Providers must ensure settings optimize individual initiative, autonomy, and independence in making life choices, including, but not limited to, daily activities, physical environment, and with whom to interact.

5) Provider must ensure settings facilitate individual choice regarding services and supports, and choice regarding who provides them.

6) Providers must ensure tenant protections, privacy, and autonomy for individuals receiving HCBS who do not reside in their own private (or family) home.
As a Medicaid enrolled HCBS provider you are required to ensure all aspects of the Final Rule are followed. **HSD/MAD recommends that you read the CMS Final Rule in the Federal Register at the following link to review the details of the CMS Final Rule requirements:**

I certify that I have carefully read the summary requirements for the Home and Community Based Services above and the CMS Final Rule Requirements in the Federal Register at the link provided above. I attest that my organization/provider setting is in compliance or will be in compliance by March 17, 2022 with the CMS Final Rule Requirements published in the Federal Register.

Additionally, I certify that my organization/provider setting will remain in compliance with the CMS Final Rule Requirements published in the Federal Register.

Request for Taxpayer Identification Number and Certification

1. Name (as shown on your income tax return). Name is required on this line; do not leave this line blank.

2. Business name/disregarded entity name, if different from above.

3. Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only one of the following seven boxes.
   - Individual/sole proprietor or single-member LLC
   - Limited liability company
   - Corporations (C=corporation, S=S corporation, P=Partnership)
   - Partnership
   - Trust/estate
   - Other (see instructions)

4. Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):
   - Exempt payee code (if any)
   - Exemption from FATCA reporting code (if any)

Part I: Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see How to get a TIN, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see What Name and Number To Give the Requester for guidelines on whose number to enter.

Part II: Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.
