

PALCO PRESENTS

ARKANSAS EVV TRAINING

Electronic Visit Verification (EVV) Training for Arkansas Self-Directed Employers needing to comply with EVV which started on 3/30/2021.

DETAILS

As a part of a Federal mandate, Palco implemented EVV with all Arkansas self-directing Participants, Employers and their workers on March 30, 2021. EVV is the new way your workers will clock in and out for all services. To learn more about EVV, check out our [AR EVV FAQ](#).

Training will cover the mobile application, as well as navigating the Authenticare website. We will also provide opportunities for you to ask questions. We hope you will all join us to learn more!

If you cannot attend, visit our website to review a copy of the training materials and a link to our recorded trainings.
