Frequently Asked Questions

Palco serves individuals who participate in the Pennsylvania Office of Developmental Programs self-directed model by providing various financial, customer support, and informational services. Below are frequently asked questions to help you understand our processes, your requirements, and how to receive assistance.

What if I need assistance in completing forms?

Online enrollment is the easiest method for completing forms. Palco customer support agents can assist you in gaining credentials to enroll online. Or, if you would prefer, our staff can provide over the phone or in-person assistance with completing forms.

When can the Support Service Professional (SSP) begin providing services?

Palco will notify the Common Law Employer (CLE) once all requirements for enrollment have been met. The date of this notification is the date work can begin. Any work performed prior to that date will not be paid by the program.

What happens if a SSP stops providing services?

Anytime a SSP stops providing services, Palco must be notified via an Employment Separation Notice, which can be found on our website. Even after termination, SSPs should keep Palco aware of any changes in contact information throughout the year, so that we can send correspondence, such as W-2s, to the correct address.

How does a participant change an CLE of record?

A new Participant Referral & Intake form must be completed. Be sure to fill out the information at the bottom of page 2 of the form, indicating that the form is for a change in Common Law Employer.

How does an CLE of record change impact existing SSPs?

SSPs must re-complete some new hire forms, such as the I-9. Palco will notify you of the requirements. Be sure to complete any required forms so that your pay is not impacted.

Can someone correspond with Palco on my behalf?

Federal and state privacy laws prevent Palco from disclosing personal information to unauthorized individuals. Palco will only correspond with SSPs about that SSP's particular account. Common Law Employers may receive all information about the SSP's accounts and information about the participant necessary to carry out employer roles.

How are timesheets submitted?

Timesheets can be submitted online via our portal, by fax, by mail or email. When using the online portal, submit all time properly. Both the CLE and the SSP must approve all time before it can be processed for payment by Palco. Additional instructions can be found in our website. When submitting a paper timesheet, follow all instructions to reduce submission errors. A properly submitted timesheet must be received before the deadline to ensure a SSP's pay is not delayed.

When does a SSP submit timesheets?

The CLE is provided with a payroll schedule that shows the deadlines for submitting timesheets and scheduled paydays. The payroll schedule for specific programs can also be found at palcofirst.com.

How will I know a timesheet was received and approved?

The online portal will display approval messages in real time. For other methods of submission, contact Palco Customer Support 48 hours after submission to allow time for processing.

What if a SSP doesn't receive the funds on the scheduled payday?

For direct deposited payments, please allow sufficient time for the pay to deposit into your account. We recommend allowing 24 hours after payday for the deposit.

Will the SSP receive a W-2 at year-end?

W-2s are available January 31. If receiving the W-2 by mail, please allow one week for delivery. All workers receive a W-2. SSPs who earn less than the annual domestic service threshold, per IRS Pub. 15 (Circular E), will also receive a refund of over-collected FICA. The employer should encourage their SSPs to make sure that the correct address and direct deposit information is current with Palco prior to this date, even if the SSP is no longer working.

How do I change my information with Palco?

The fastest and easiest method is to log into your account and change your information. Otherwise, you must complete the appropriate form and mail or fax it to Palco (see address and fax number at the top of the page). All forms are found at palcofirst.com. For name and contact information changes, complete a Change of Information form and attach documentation to show proof of name change which can be driver's license, divorce degree or marriage license. For withholding changes, complete an IRS W-4, AR4EC or Payroll Information Worksheet. To change payment information, complete a Direct Deposit Authorization. For any other changes, contact Palco customer support.

Payroll Information Worksheet

As a home care worker in self-direction, your payroll tax withholdings are subject to special tax rules, and your residency may impact your benefits under labor laws. Completing this form accurately will ensure that your taxes and benefits are calculated properly.

REQUIRED INFORMATION	
Employee Name	ID
Employer Name	Participant Name (If different from Employer)

Select the following box that applies:

- This form is part of your **first-time enrollment** with Palco.
- You are already enrolled with Palco and need to **change** your information

Part A: Family Member Exemptions

Depending on your relationship to your employer and your age, you may be exempt from certain taxes, such as FICA (Social Security and Medicare), FUTA (Federal Unemployment) and SUTA (State Unemployment). You can find more information about this in IRS Publication 15.

Relationship to Employer	FICA ¹	FUTA ²
Child employed by Parent	Exempt until child turns 21	Exempt until child turns 21
Parent employed by Adult Child (including Adoptive and or Stepparent)	Exempt	Exempt
Spouse employed by Spouse	Exempt	Exempt

Select the appropriate response:

- Non-Exempt.** None of the selections apply.
- Exempt.** I am the spouse of my employer.
- Exempt.** I am the child of my employer and am under 21
- Exempt.** I am the parent of my employer who is an adult. This includes adoptive and stepparents.

Part B: Federal Income Tax Withholding Difficulty of Care (DOC) Exclusion Information.

Per IRS Notice 2014-7, payments made to workers for the care of a Medicaid self-direction program participant with whom the worker lives full time are exempt from federal income tax withholding (FIT). Use the checklist below to determine if you qualify for the exclusion/exemption.

(continued on next page)

¹ If you are not exempt as indicated above, appropriate taxes, including FICA, will be withheld. Should you not meet the annual IRS domestic service wage threshold for the current tax year, your FICA will be refunded to you in January of the following year, and your W-2 will reflect that no FICA was withheld.

² In most states, an exemption from FUTA will also apply to SUTA.

- Not Exempt.** I don't live at the participant for whom I provide care for residences at least 5 days per week.
- Exempt.** I provide services to participant in my residence, and I provide care to 10 or fewer individuals under age 19 or 5 or fewer individuals age 19 and older in my residence.

By checking **Exempt**, under penalties of perjury, I declare that I am an individual care provider receiving payments under a state Medicaid Home and Community-Based Services program for care I provide to the participant(s), named in this document, who live(s) in my home under the care recipients' plan of care. I understand I am responsible to determine if the DOC exclusion applies to State, Federal and/or local taxes depending on where I reside.

Part C: Overtime Payments

There are several factors that may qualify you as being exempt from overtime payments or ineligible for overtime based on program specific rules. Please check the box that applies below:

- Exempt from overtime pay** for any reason, including program rules or that I meet the DOL Home Care Rule Exclusion qualifications, which means that I am a live-in caregiver or I reside at the participant's residence at least 5 days per week. (See 29 CFR §552.102 and DOL Fact Sheet #79B). *By checking this box, I understand that, if my employer or the program allows me to work more than 40 hours per week, any hours that I do work over 40 in a work week, will NOT be paid at overtime rates.*
- Non-Exempt.** I do not qualify for any exemptions and understand that I will be paid overtime rates for time worked beyond 40 in a work week.

Part D: City of Philadelphia Wage Tax.

This tax applies to payments that a person receives from an employer in return for work or services. All Philadelphia residents owe the City Wage Tax, regardless of where they work. Non-residents who work in Philadelphia must also pay the Wage Tax.

- Yes**, my residence is located within the City of Philadelphia.
- Yes**, the participant's work site is located within the City of Philadelphia.
- No**, these do not apply to me.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2023 if you meet both of the following conditions: you had no federal income tax liability in 2022 **and** you expect to have no federal income tax liability in 2023. You had no federal income tax liability in 2022 if (1) your total tax on line 24 on your 2022 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. **If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2023 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c).** Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2024.

Your privacy. If you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c).

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay income and self-employment taxes through withholding from your wages, you should enter the self-employment income on Step 4(a). Then compute your self-employment tax, divide that tax by the number of pay periods remaining in the year, and include that resulting amount per pay period on Step 4(c). You can also add half of the annual amount of self-employment tax to Step 4(b) as a deduction. To calculate self-employment tax, you generally multiply the self-employment income by 14.13% (this rate is a quick way to figure your self-employment tax and equals the sum of the 12.4% social security tax and the 2.9% Medicare tax multiplied by 0.9235). See Pub. 505 for more information, especially if the sum of self-employment income multiplied by 0.9235 and wages exceeds \$160,200 for a given individual.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

If you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2023 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.
