# Frequently Asked Questions

### What if I need assistance in completing forms?

Online enrollment is the easiest method for completing forms. Palco customer support agents can assist you in gaining credentials to enroll online.

### When can my worker begin providing services?

Palco will notify you (the employer) and your worker once all requirements for enrollment have been met. The date of this notification is the date work can begin. Any work performed prior to that date will not be paid by Council of Aging or the Elderly Services Program.

### Can a worker provide services to multiple clients?

Yes. However, a worker must abide by all program rules, especially those regarding overlapping claims for payment of services. Workers may be employed by as many clients (employers) as he or she would like. Each time he or she begins working for a new client, a new worker packet must be completed, just like getting any new job. This is the worker's responsibility.

## What happens if my worker stops providing services?

Anytime a worker stops providing service, Palco must be notified via an Employment Separation Notice, which can be found on our website. Even after termination, the worker should keep Palco aware of any changes in contact information throughout the year, so that we can send correspondence, such as W-2s, to the correct address.

## I want to designate someone else to manage my worker. How do I do that?

You are permitted to designate someone else to manage your work – this is called an Employer of Record. To do this, you must complete a Designation of Surrogate Employer form. Be sure to include the date of the change at the top of the form.

## How does an Employer of Record change impact my worker?

When you make a change to your Employer of Record, your worker must re-complete some new hire forms, such as the I-9. Palco will notify you of the requirements.

### Can someone correspond with Palco on my behalf?

Federal and state privacy laws prevent Palco from disclosing personal information to unauthorized individuals. Palco will only correspond with workers about that worker's particular account. Surrogate employers designated as the Employer of Record may receive all information about the worker's accounts and information about the client necessary to carry out employer roles. Participants/Clients have unlimited access to information held by Palco on their account. Participants/Clients may also appoint an authorized user by completing an Authorized User Designation form. An Authorized user is someone who is not the Employer of Record, but has permission to correspond with Palco on the employer's behalf.

### How are timesheets submitted?

Timesheets can be submitted online via our portal, by fax, by mail or email. When using the online portal, submit all time properly. Both the employer and the worker must approve all time before it can be processed for payment by Palco. Additional instructions can be found in our Online Registration Packet. When submitting a paper timesheet, follow all instructions to reduce submission errors. A properly submitted timesheet must be received before the deadline to ensure a worker's pay is not delayed.

### When does a worker submit timesheets?

A payroll schedule shows the deadlines for submitting timesheets and scheduled paydays. The payroll schedule for specific programs can also be found at <a href="https://www.palcofirst.com">www.palcofirst.com</a> under your program specific page.

### How will I know if a timesheet was received and approved?

The online portal will display approval messages in real time. For other methods of submission, contact Palco Customer Support 48 hours after submission to allow time for processing.

## What if a worker doesn't receive the funds on the scheduled payday?

For direct deposited payments, workers should allow sufficient time for the pay to deposit into the account. We recommend allowing 24 hours after payday for the deposit.

### Will the worker receive a W-2 at year-end?

W-2s are available January 31. If receiving the W-2 by mail, workers should allow one week for delivery. All workers receive a W-2. Workers who earn less than the annual domestic service threshold, per IRS Pub. 15 (Circular E), will also receive a refund of over collected FICA. As an employer, you should encourage your worker to make sure the correct address and direct deposit information is current with Palco prior to January 31 of each year, even If the worker is no longer providing services for you.

### How do I change my information with Palco?

The fastest and easiest method is to log into your account and change your information. Otherwise, you must complete the appropriate form and mail or fax it to Palco. All forms are found at <u>palcofirst.com</u>. For name and contact information changes, complete a Change of Information form and attach documentation to show proof of name change which can be driver's license, divorce degree or marriage license. For any other changes, contact Palco customer support.
