

## Colorado Consumer Directed Attendant Support Services “Cost To You” Worksheet

As a CDASS employer, the cost of hiring attendants includes paying wages, payroll taxes, and Workers’ Compensation insurance. Palco charges you at your **individual** employer rate, potentially giving you the cheapest rate for your individual situation.

- ✓ Your SUTA rate varies depending on your experience rating with the state unemployment insurance office. With Palco, your rate is not blended with other CDASS employers’ rates, and you receive the full benefits of any SUTA rate decreases when we update individual tax percentages annually.
- ✓ Your employer tax rate varies depending on the attendant’s relationship to you. You can take full advantage of individual tax exemptions, **so more money goes into the hands of your attendants!**
- ✓ As of July 1, 2024, the Colorado direct care worker base wage is \$17.00, and the maximum wage allowed for CDASS is \$55.08
  - Some cities may have instituted a citywide minimum wage that is higher than the state minimum (example- Denver minimum wage is \$18.29 as of 1/1/24). Contact your enrollment specialist at Palco for more information on your individual circumstances.
- ✓ Family Members are limited to 40 hours in a work week, Sunday through Saturday. Attendants must be paid overtime, time and a half the hourly rate, for any time over 40 hours in a week or more than 12 in a shift/day.
