

2 WAYS TO GET PAID INSTANTLY

1

Money Network Card

Palco has partnered with Money Network[®] Service, one of the largest card companies in the country, to offer consumers a **FREE** Money Network Card, which works just like a bank card. To see more benefits of the Money Network Card, **see the Money Network Card page**.

→ You can use your Money Network Card anywhere Visa Debit[®] or Debit Mastercard[®] are accepted.

2

Direct Deposit

A direct deposit transfers funds automatically into an existing bank account. This means that once a worker links their account electronically, money will be deposited directly into that account.

→ Workers can receive their payments directly into any bank account of their choice!

Using these methods of payment in place of a paper check ensures a worker receives their payment on pay day the moment the funds are available! No hassling with paper checks getting lost in the mail or having to wait in line at the bank!

Sign up for Direct Deposit or request your free Money Network Card today by submitting a **Pay Selection Form**. **See the Pay Selection and Direct Deposit Authorization Agreement** for more details.

To ensure quick and accurate payment, use Palco's CONNECT online timesheet and reporting portal to enter time electronically, error free, and submit it to Palco instantly. CONNECT allows you to monitor the time submission process from start through payment. .
