Frequently Asked Questions for Employers

Palco serves clients who participate in the Consumer Directed Care service of Council on Aging's Elderly Services Program. Palco provides various financial, customer support, and informational services. Below are frequently asked questions to help you understand our processes, your requirements, and how to receive assistance.

How do I complete forms if I am unable to sign?

We encourage you to enroll online, as there are plenty of accessible options on our website. However, if you are unable to use our online system, you may either sign with an X or a mark, then have a witness legibly sign the document on the line above the 'witnessed by'.

What if I need assistance in completing forms?

Online enrollment is the easiest method for completing forms. Palco customer support agents can assist you in gaining credentials to enroll online.

When can my worker begin providing services?

Palco will notify you (the employer) and your worker once all requirements for enrollment have been met. The date of this notification is the date work can begin. Any work performed prior to that date will not be paid by Council of Aging or the Elderly Services Program.

Can a worker provide services to multiple clients?

Yes. However, a worker must abide by all program rules, especially those regarding overlapping claims for payment of services. Workers may be employed by as many clients (employers) as he or she would like. Each time he or she begins working for a new client, a new worker packet must be completed, just like getting any new job. This is the worker's responsibility.

What happens if my worker stops providing services?

Anytime a worker stops providing service, Palco must be notified via an Employment Separation Notice, which can be found on our website. Even after termination, the worker should keep Palco aware of any changes in contact information throughout the year, so that we can send correspondence, such as W-2s, to the correct address.

I want to designate someone else to manage my worker. How do I do that?

You are permitted to designate someone else to manage your work – this is called an Employer of Record. To do this, you must complete a Designation of Surrogate Employer form. Be sure to include the date of the change at the top of the form.

How does an Employer of Record change impact my worker?

When you make a change to your Employer of Record, your worker must re-complete some new hire forms, such as the I-9. Palco will notify you of the requirements.

Can someone correspond with Palco on my behalf?

Federal and state privacy laws prevent Palco from disclosing personal information to unauthorized individuals. Palco will only correspond with workers about that worker's particular account. Surrogate employers designated as the Employer of Record may receive all information about the worker's accounts and information about the client necessary to carry out employer roles. Participants/Clients have unlimited access to information held by Palco on their account. Participants/Clients may also appoint an authorized user by completing an Authorized User Designation form. An Authorized user is someone who is not the Employer of Record, but has permission to correspond with Palco on the employer's behalf.

How are timesheets submitted?

Timesheets can be submitted online via our portal, by fax, by mail or email. When using the online portal, submit all time properly. Both the employer and the worker must approve all time before it can be processed for payment by Palco. Additional instructions can be found in our Online Registration Packet. When submitting a paper timesheet, follow all instructions to reduce submission errors. A properly submitted timesheet must be received before the deadline to ensure a worker's pay is not delayed.

When does a worker submit timesheets?

A payroll schedule shows the deadlines for submitting timesheets and scheduled paydays. The payroll schedule for specific programs can also be found at palcofirst.com.

How will I know a timesheet was received and approved?

The online portal will display approval messages in real time. For other methods of submission, contact Palco Customer Support 48 hours after submission to allow time for processing.

What if a worker doesn't receive the funds on the scheduled payday?

For direct deposited payments, workers should allow sufficient time for the pay to deposit into the account. We recommend allowing 24 hours after payday for the deposit.

Will the worker receive a W-2 at year-end?

W-2s are available January 31. If receiving the W-2 by mail, workers should allow one week for delivery. All workers receive a W-2. Workers who earn less than the annual domestic service threshold, per IRS Pub. 15 (Circular E), will also receive a refund of over collected FICA. As an employer, you should encourage your worker to make sure the correct address and direct deposit information is current with Palco prior to January 31 of each year, even if the worker is no longer providing services for you.

How do I change my information with Palco?

The fastest and easiest method is to log into your account and change your information. Otherwise, you must complete the appropriate form and mail or fax it to Palco. All forms are found at palcofirst.com. For name and contact information changes, complete a Change of Information form and attach documentation to show proof of name change which can be driver's license, divorce degree or marriage license. For any other changes, contact Palco customer support.

How can Palco be contacted?

Employer Revocation Attestation: I understand that by signing this form the current surrogate employer listed on this form will be made inactive and terminated in the Palco system. If a surrogate employer is required and or a new surrogate employer has not been designated by the effective date listed above, then your services as a participant/client will be suspended. Service provided during the suspended period may not be eligible for payment by Palco if the proper employer/ employee relationship is not established.

Employer Responsibilities & Attestation

As the employer of record, I understand that I am the sole employer for all support workers providing services to the participant. The employer controls the training and management, evaluation, scheduling, and termination of the worker. The worker is not employed or retained by Palco, program/state administrators, or any other state or federal governmental agency. The worker is not an independent contractor.

As the employer, I must adhere to all federal, state, local, program, and employment-related (including all Department of Labor, United States Citizenship and Immigration Services, Internal Revenue Service, and state law and unemployment agency) laws, regulations, and requirements, as well as program rules and policy. This includes providing necessary training and orientation to workers, reporting critical incidents, and reporting suspected fraud, waste, abuse, neglect, or exploitation.

The employer must assume responsibility for managing the risk and liability of any incidence(s) of work-related injuries or illnesses and for any negligent acts or omissions in the work place. Neither Palco, nor program/state administrators, are responsible or liable for any negligent acts, work-related injuries, or omissions by the employer, participant, worker, service providers, or other authorized parties.

Funds to pay for services provided by the worker are from public sources, and financial accountability and liability applies to the use of the funds. Both the employer and worker have individual and joint responsibilities to be accountable for the funds spent through the program and understand that submitting false or fraudulent timesheets or submitting requests for payment of goods or services provided, other than those approved on the authorized service budget, will be reported to the appropriate authorities for investigation and possible prosecution as fraud. In the case of insufficient funds to cover program expenses, as the employer, you are responsible for payment to the worker or service provider under state and federal laws. The employer must maintain accurate records and provide such records to authorized parties as requested, as well as adhere to all program rules and regulations, including Palco's Privacy Policies.

By signing below, I attest that I have read, understand, agree and attest to the above and have directed my worker accordingly.

Section II - Assign Roles and Responsibilities

To give a new agent access to your account, check the role(s) you want the agent to have and enter the "Access Begin Date" (must be the beginning of a quarter for "Wage Submission") and "Access End Date" (optional) for the selected roles.

For all roles except "Wage Submission," once an end date is entered, the agent will no longer have access to those roles after the "Access End Date" provided. If no end date is entered, the access will continue indefinitely.

For "Wage Submission," the dates of access will allow the agent to update your wage records for all quarters within the access dates, regardless of the current date. For example, if you give an agent access for the first quarter of the year, the agent will be able to access the wage records for that quarter at any time. If you wish to completely remove access for the agent, which would prevent them from accessing quarters they were previously authorized for, select the "Remove Access" box for the agent.

You cannot grant two agents access to the same role during the same time period. If you want to change agents, you must remove the role from the existing agent by entering an "Access End Date."

1a. To what role does the authorization or dissolution selected in Section II apply?
(Please check all that apply.)

- Wage Submission
- Payment Submission
- Account Maintenance Updates
- Appeals
- Tax Rates

1b. For the roles selected in question 1a, provide "Access Begin Date" and "Access End Date" (Optional)
