

CHANDA CENTER FOR HEALTH:

EMPOWERING WELLNESS FOR CHILDREN

The **Chanda Center for Health (CCFH)** has partnered with **Palco** to bring a statewide remote option for access to integrative therapies for eligible Medicaid members, now including children!

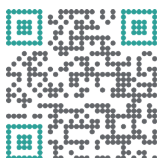

Caring Support for Your Child's Wellness

- Palco supports families in onboarding trusted massage therapy providers in their communities.
- If your child lives 30+ miles from the Chanda Center for Health, they qualify for this remote service option to receive the care they need.

Eligibility and Service Details

- Waivers that qualify: **Children's Extensive Support (CES)** and **Children with Complex Health Needs (CwCHN)**
- Participants are eligible for **24 hours (or a max of 96 units)** of massage therapy services per service plan year.
